ATTENTION: JAMIE CLINE,

Our records indicate that you have not contacted us to have the vehicle service contract for your vehicle updated.

Please call 866-426-0075.

You are receiving this notice because your factory warranty will expire or may have already expired based on the mileage and age of your vehicle.

By neglecting to replace your coverage you will be at risk of being financially liable for any and all repairs after your factory warranty expires. However, you still have time left to activate your service contract on your vehicle before it's too late. No vehicle inspection will be required.

No other notices will be sent for this offer. This will be our only attempt to contact you about your expiring factory warranty.

**Your file on this vehicle will be deleted and you may no longer be eligible for this offer regarding service coverage after 10/06/2023.**
